Good Morning:

Shawna, please add 100 hours to TDD#: 0006/0061.

Tim, no rush but could you please give me cost to date on both NFB and HTC TDDs? Similar to my Wolff Alport requests. For each site we will have an assessment TDD and a removal TDD.

Thanks

Eric,

RST 3 would like to request a TDD amendment for the Niagara Falls Boulevard Radiological Site, TDD#: 0006/0061. As of June 24, 2016, RST 3 has utilized 1,384 hours out of the budgeted 1,440 hours, leaving a balance of 56 hours.

This request for additional 100 hours take into consideration the time estimated to complete additional Removal Assessment activities, prepare data deliverables and the Removal Assessment Trip Report.

Please let Shawna Hoppe know if you concur with this request.

Thank you.
